TAX REDUCTION
IS VOTED BY
G. O. P. BOARDRepublican Members of Ways and
Means Committee Plan
Income Cut.

WOULD SAVE \$225,000,000.00

Immediate Relief Is Aim of Mem-
bers Backing Proposed
Legislation.WASHINGTON, Jan. 30.—Income
taxpayers would receive a reduction
in their 1923 taxes payable this
year under a provision voted today
by Republican members of the house
ways and means committee.The amount of reduction has not
been determined but Chairman Green
author of the proposal, said it might
be as high as 25 percent. It would
apply to the taxes after they have
been computed and to all personal
income taxpayers. Treasury experts
estimated that a 25 per cent

payers of \$225,000,000.

Green explained the reduction was
aimed at immediate relief, whereas
application of the rates in both
the Mellon and Garner plans would
begin on this year's taxes.The action was the first taken on
new income rates, which the Re-
publican members of the committee
decided today to write themselves
and put through in committee by a
majority vote.Representative Hull of Tennessee,
a member of the committee and
chairman of the Democratic Nation-
al Committee, announced tonight
that Democratic members of the
committee had intended to present
a similar proposal, but in the form
of a joint resolution which could
have been taken before the House
and Senate for action before March
15, when the first installments on
last year's taxes are due.Says Epidemic
Of Measles Is
Sweeping CountyMeasles is prevalent in several
schools of the county, according to
Miss Rachael Miller, county school
nurse. An epidemic has developed
in Walnut Creek, Pittsburg, San
Pablo and Rodeo, she states.While it is generally believed that
measles is not a serious disease,
Miss Miller says that during the
past year more deaths resulted from
the malady than from scarlet fe-
ver and she explains the cause as
being the result of improper care of
children suffering from the disease.The nurse declares that the great-
est care should be taken of children
suffering from measles and that
when proper care of a patient is
taken there is little danger of it
proving fatal.Judge Alvarado
To Serve At L. A.Governor F. W. Richardson has
designated Superior Judge H. V.
Alvarado to preside in one of the
departments of the Superior Court
in Los Angeles during the month of
April. Notwithstanding that there
are 23 Superior Court Judges in
Los Angeles county, court business
there has increased to such an ex-
tent that the Governor has been
appealed to for help.Twelve Ounce
Baby Makes Hard
Fight For LifeFORTH WORTH, Tex., Jan. 30.—
A baby girl, weighing scarcely
three-quarters of a pound and
believed to be the smallest living
child in the world, is making a
hard fight to live in a baby hos-
pital here. It is believed she
will win her battle. The baby is
being kept in an incubator. Physi-
cians declare the child's breath-
ing is regular and that she has
the color of a healthy, well de-
veloped babe.Man Mourned As
Dead Attends FeteTIFFIN, Ohio, Jan. 30.—As
Henry Gassler was preparing to
celebrate his 75th birthday here
his twin brother, Frank, missing
for 20 years, appeared at his
home.Frank Gassler, who for years
has been mourned as dead, said
he has been living in Richmond,
Ind. The death of his wife caused
him to decide to return to his
old home, he said.The aged brothers celebrated
the anniversary of their birth in
the house in which they were
born."Hot Dogs" Offered
As Divorce PleaSACRAMENTO, Jan. 30.—"Hot
dogs" were offered for the first time
in California history, were offered
here today as a legal ground
for divorce.Mrs. Nettie Belle Sorrells re-
fused to live in a hot-dog wagon
when this was suggested as an
economic measure, by her hus-
band, Charles Sorrells, following
their marriage, two months ago.
Sorrells persisted in his de-
mands, however, said he would
not rent a house, and predicted
that a life of ease and luxury lay
before them if they could their lot
with hot dogs, according to the
allegations against him.Mrs. Sorrells today protested in
court against being thrown into
constant association with hot
dogs and was granted a divorce
by Superior Judge Malcolm C.
Glenn.White Bull Terrier
Is New Wilson PetMOBILE, Ala., Jan. 30.—The
new pet of the Woodrow Wilson
household in Washington will be
a white bull terrier from a local
breeder kennel."Bruce," officially known in
fancier circles as "Whitstock
Service Man," has been accepted
by the ex-president as a personal
gift from Mr. and Mrs. H. C.
Hollister, local fanciers. Bruce
is a medium sized and boasts of an
aristocratic family tree.The dog will take up his abode
pating in a dog show in Birming-
ham in the Wilson home after partici-
pating.

In accepting the terrier, Wilson

wrote:
"I say me to thank you for your
charming letter. If Bruce
turns out as you expect I shall
be very happy to have him as a
living reminder of the friend-
ship of Mrs. Hollister and you."Court Says Love
Worth More Than \$1TOPEKA, Kan., Jan. 30.—A hus-
band's love is worth more than a
dollar, the Kansas State Supreme
Court believes. Mrs. Lucile Brack-
man who recently was awarded
\$1 when she asked for \$50,000
from Grace E. Champin on
charges of alienating her hus-
band's affections, appealed from
the decision of the Phillips Coun-
ty Court.The Supreme Court held that
the decision of the lower court
established the guilt of the defen-
dant and the damages were not
sufficient. The case was revers-
ed.

Local Delegates At Bay Meet

BARNES TELLS OF
C. OF C. WORK IN
UNITED STATESRichmond Men Among 2500 Who
Attend Big Booster Con-
clave in Oakland.

JOSEPH KNOWLAND SPEAKS

Tells of Future Needs and Pros-
pects of East Bay and
of Expansion.The Richmond Chamber of Com-
merce was well represented at the
big East Bay Community dinner
served to 2500 boosters for better
business in the municipal auditor-
ium last night.The guest of honor was Julius H.
Barnes, president of the United
States Chamber of Commerce, who
is an optimist. Barnes chose for
his theme, "The Nation's Business,"and presented a staggering array of
figures showing that this great coun-
try today stands in the vanguard of
human progress in world affairs."Six per cent of the earth's popu-
lation lives in the United States,
and we produce practically 50 per
cent of the world's wealth. This
same fractional part of the total of
Christendom's people manufacture
92 per cent of the automobiles and
we use at home 90 per cent of this
great output," Barnes said."The United States Chamber of
Commerce was formed 12 years ago
at the suggestion of the President
of the United States, and today we
have a roster of some 750,000 people
striving or one common goal—for
the betterment of humankind,"
Barnes declared.

Water Supply Urged

Felicitating the great East Bay
area upon its marvelous spirit, evi-
denced by the unprecedented out-
pouring, Barnes told his hearers
"this incident will be referred to
from coast to coast."Joseph R. Knowland, former con-
gressman for 12 years and present
publisher of The Tribune talking on
the "Future Needs and Prospects
of the East Bay," said that the last
12 months proved a record-breaking
period in industrial expansion in
this section. He pleaded for a con-
servative and development of the
water supply, and begged his hear-
ers not to jeopardize future bond
issues for this supply by arguing
on the subject of the sources until
the engineers have made their in-
vestigations and recommendations.

Harbor Business Increase

The volume of the harbor business
increased 900 per cent during the
year just past, Knowland said.A fine motion picture was shown
of the East Bay industries, and in
this picture appeared views of the
Standard Oil plant in Richmond.Affine motion picture was shown
throughout the country.Some novel allegorical tableaux
were presented under the auspices
of the real estate men of the East
Bay.Richmond's Delegation
Those who attended from Rich-
mond were Henry A. Johnston, pres-
ident of the Chamber of Commerce,
who sat at the speaker's table, and

wick, J. L. Ezaki, John F. Galvin,

Goose Takes
Last "Chaser"ST. LOUIS, Jan. 30.—Jakey,
a goose, who took his whisky
straight and washed it down
with a swig of beer in pre-pro-
hibition days, is dead. He was
18 years old and was owned by
John Keller, former saloon
proprietor. In the old days a
round of drinks wasn't com-
plete unless Jakey was in on the
set-up.When Jakey had enough, he
would go to the shed and sleep
it off. Thousands of visitors
to St. Louis, it is said, have
gone to St. Louis just to buy
Jakey a drink.Clothes Aflame.
Bay Fisherman
Suffers To ShowMARTINEZ, Jan. 30.—John Cardin-
alli, Pittsburg fisherman, is believed
to be dying at the hospital here to-
night from exposure and severe body
burns he received at 1 o'clock this
morning when a lantern exploded
on his fishing craft, which he had
anchored for the night near the Sul-
sun Bay lighthouse, and with his
clothes afire was forced to jump
into the water and swim to mud
flats on the Solano county shore. An
hour after making the shore Cardin-
alli attracted two other fishermen,
Paul Lucido and Vince Cardinalli,
by his shouts. Lucido and Cardin-
alli took the badly burned man to
Pittsburg where he is being treated
by Dr. L. C. Gregory.Chance passing of the boat of Car-
dinalli and Lucido alone could have
brought aid to the injured man as
there is no habitation near. Al-
though Pittsburg and Martinez po-
lice authorities were informed by
Charles Clark, watchman at the Pa-
cific Coast Shipbuilding Company's
plant at Bay Point, that a boat was
afire off Point Edith, every launch
was either in use or made unavail-
able by being held on mud flats in
low tide. Early this morning when
he was able to free his launch H.
L. Brady of Martinez went up river
in search for the craft or its owner.
Heavy fog in Suisun Bay last
night prevented other boats at a
distance from seeing Cardinalli's
launch afire. Clark was able to see
the boat during a rift in the fog
and heard Cardinalli's shouts for
help.In retiring to his bunk Cardinalli
accidentally knocked over a lantern
from a table. It exploded and its
flaming contents were thrown about
the cabin and over the man's body.
After a desperate struggle Cardin-
alli made his way from the cabin
and shouted for help. Cardinalli
stuck with his craft until forced to
jump into the water by the flames.
Although suffering intense pain he
swam to the Solano shore and after
an hour succeeded in attracting the
attention of the passing fishermen.
The boat was completely destroyed.
Cardinalli was recently married.

NAVY SECRETARY MAY RESIGN

Nerve Specialists Are Appointed
To Examine Fall by Invest-
igating Committee.WASHINGTON, Jan. 30.—The Sen-
ate before adjournment this evening
forecast the certain passage of the
Walsh resolution demanding can-
cellation of ex-Secretary Fall's lease
on naval oil lands to E. L. Doheny
and H. E. Sinclair, on the ground
that the leases were illegally exe-
cuted by Fall and Secretary of the
Navy Denby on behalf of the Gov-
ernment.It is considered certain that the
resolution tomorrow will pass by
the same majority of votes, which
will likewise pass the Robinson re-
solution calling for the dismissal of
Denby and the Wheeler resolution
calling for the dismissal of Attor-
ney General Daugherty, unless these
Cabinet members voluntarily resign.There is every indication tonight
that President Coolidge, acting thru
administration senators, is bringing
the strongest pressure upon Denby
to resign and it is considered likely
that the secretary of the navy will
bow to the President's demands.The following were the outstand-
ing developments in the great gov-
ernment oil scandal.After ex-Secretary Fall's physi-
cians appeared this morning before
the Senatorial investigating commit-
tee and testified just why, in their
opinion, Fall was physically unable
to appear before the committee, the
hearing was adjourned until next
Friday.The committee, however, was un-
willing to accept the testimony of
the Fall doctors without a check-up.
The committee, therefore, had ap-
pointed two nerve specialists who
will examine Fall in the meantime.
The appointment of nerve specialists
usually called for cases of nervous
breakdown, extreme nervousness, ex-
haustion or alcoholism, shows that
the seriousness of the trouble with
Fall is to be investigated.Secretary of the Navy Denby still
holds firm in his determination not
to resign, in spite of the increasing
pressure which Republican party
leaders are bringing upon him to
set out of the Cabinet on the ground
that he is hopelessly compromised in
the oil mess by the fact of having
signed the leases along with ex-
Secretary Fall.The House naval affairs committee
drew from Rear Admiral Lattimore
the admission that Secretary Denby
was responsible for the policy of
selling the Government's reserve oil
to Doheny and Sinclair in return
for the construction of oil storage
tanks. This is considered by Senate
lawyers the most illegal of all the
phases of the oil contracts.

THE PAVING PROGRAM

The paving program which is planned by the city council will see needed improvements on many local thoroughfares, and will be of great benefit. Present plans and specifications call for the expenditure of approximately a half million dollars on this work. Richmond is preparing for the expansion which is certain to come. The city already has more than 94 miles of paved roads, and the present paving will greatly increase that distance.

C. OF C. AND INDUSTRIES

The city has large holdings of land along the bay front which it is desirous of renting to industries. New industrial plants are being located at points around the bay constantly, and some comment has been heard, not all favorable, because Richmond has not been getting its share.

Mayor W. W. Scott and Harbor Manager J. H. Misner expressed a thought at the council meeting Monday night which should explain why this city has not been getting new industries—it has had no central body here to which those seeking sites could go and secure the necessary information.

That condition has been remedied. Richmond now has the nucleus for a Chamber of Commerce which will be second to none, and which will be able to furnish all needed data at a moment's notice to prospective settlers here, whether industries, business houses or workers.

Advertising is needed of course. It will be necessary for Richmond to advertise just as it is necessary for merchants to advertise. If an entire state has been sold, as California has been by the Californians Inc., then Richmond can be sold by the Chamber of Commerce, and the results should be satisfactory to both of the companies. The next few years will either see Richmond jump ahead, taking its rightful place with other East Bay cities, or it will see other cities take such a lead that they will never be caught. Of the two probabilities, however, the former seems the most likely. The wide-awake men who are heading the Chamber of Commerce will see to it that Richmond is not forgotten.

SOMETHING FOR NOTHING

The New York World, discussing the \$500,000,000 gold brick which the gullible part of the public bought for itself in 1923, explains the motive back of this weakness for fake investments in a way that ought to help some potential victims to escape the fate they have been approaching. Says the World:

"The desire of the human race is to get something for nothing, to get rich quick, to win a place among the elect who do not have to work, by some sleight-of-hand applied to finance."

Different persons seek to do this in different ways. Some explain the World, pick pockets; some rob banks, second stories and railroads; some lie back and dream in the fashion of the story-teller who invented the Arabian Nights; some print fake stock and sell it; some buy this fake stock in the hope of bonanza returns.

Probably very few of the shorn sheep who have lost their savings in some such way would care to be classed along with bank robbers and fake promoters. They do not deserve to be called criminals. They may not even be fundamentally lazy. But certainly they have let themselves be led astray by the same false reasoning which leads the robber and pickpocket to seek financial reward without constructive service of any sort and without honestly earning it.

"Thundering Dawn" At California Theatre Today

"Thundering Dawn," the Universal Super-Jewel all star attraction at the California Theatre, for the last time today, follows "The Covered Wagon," in the last of big successes in the career of J. Warren Kerrigan, "the star who came back." Kerrigan was in retirement for two years and then reappeared before the camera with his friends prophesying that the public would have forgotten him and he wouldn't be able to come back. "Thundering Dawn," in which he has the biggest emotional chance of any of his new roles, proves again that he is one of the greatest film actors of any period. Anna Q. Nilsson and Winifred Bryson are the feminine leads.

Kerrigan has the role of Jack Standish who leaves Boston suddenly in order that guilt for business defalcations would point only to himself, rather than to his aged father. It was a tragic moment in his life, for that same evening he should have been married to Mary Rogers, played by Miss Nilsson. Anywhere in the tropics, he was bound, and it made little difference to him whether he landed in the Malayan archipelago, or the remote Javanese port where his steamer stopped to unload a few cases of ammunition.

He met an affable, but vicious circle of men. Tom Santachi, as Gordon Von Brock, a wealthy planter, points the way to the path of quick destruction. The Professor's resort keeps its doors wide open. Sounds of singing, dancing and gamblers' outs greet Jack, and he stops in to have a drink.

A few more drinks and he forgets his sorrows. The seductive woman and the enervating heat soon destroy every dominant impulse he possesses.

Never did a man sink swifter into the outcast's state. But the charm of his personality awakes the slumbering impulse of love in Lullaby Lov leading lady of the resort. She falls strangely in love with him, to the surprise of the denizens, who believed that her heart was made of stone.

When his fiancée arrives, an interestingly emotional duel occurs between the two women. Then the seasons shift. The half year of enervating sun gives way to the rainy period.

Great rains are ably portrayed in this film. Finally, a typhoon tears along, bringing a gigantic tidal wave. What the wind fails to wreck, the tidal wave washes away. Bold blue-tiding men who had battled to every corner of the earth, crouch in terror. The water rushes in and takes its toll. Few escape.

Millions of gallons of water are to be seen, with terrible thunder bolts lashing their way across the sky, striking down the once charming village. Its realism takes one's breath away.

On the same program, "Call The Wagon," Neal Burns' funniest film. Kinogram, musical novelty, Larry F. Canelo at the organ.

Milk Raise Goes Into Effect Friday

Due to the long period of drought the milk dealers have been forced to raise the price of milk. The raise in milk prices will commence on February 1. The new prices will be 14 cents a quart and 9 cents for pints. Other cities around the bay have been forced to raise also.

The Secret of Good Baked Beans

KITCHEN BOUQUET does for baked beans what it does for gravies—greatly adds to their flavor and improves their color.

In Boston, where the preparation of all kinds of beans has reached a perfection that is the despair of all other sections, KITCHEN BOUQUET is most liberally used.

Preparing for the oven, add a tablespoonful to a quart of beans. Prepare your beans the Boston way.

KITCHEN BOUQUET

Funeral services were held yesterday afternoon from Wilson and Kratzer's parlors for Sidney Gilworth who was killed at the Santa Fe Foundry. The Rev. P. A. Welch, pastor of the First Christian church, officiated. Many members of the Foundry Union were present at the funeral. Members of the organization acted as pall bearers.

Herbert Rawlinson In "A Million To Burn" at Macdonald

"When you get what you want, you don't want what you get after all," goes an old adage.

That in substance might be considered the theme of "A Million to Burn," the Universal attraction starring Herbert Rawlinson at the Macdonald theatre.

It is farce comedy and the story must have been born in the cleverest sort of brain. It moves with surprising speed and offers a lot of laughable entertainment, thus qualifying as worthwhile screen material. Almost any audience would rather be amused with farcical situations on occasions than the repeated dramatic legends which always

Prepare For First Gas Executions

CARSON CITY, Nev., Jan. 30. Preparations are being completed for the first legal execution by lethal gas in the history of America. At least one man, perhaps two, will pay the extreme penalty in this form on February 8.

Joe Jon, one of two Chinese convicted of long murder, has been denied clemency by the state board of pardons, and must die on that date. Thomas Russell, a Mexican, convicted of killing his sweetheart, an Indian girl, also has been sentenced to die February 8, but his application for clemency will be heard by the board Saturday.

tax the brain for a logical solution. You don't just exactly know what this is all about, until the end, but you're amused throughout. It isn't meant to be deep. It's funny and you like it. It helps digest a heavy dinner. The titles are immense, and every situation brings a bigger laugh than the previous one.

The idea was evolved by an educated waiter who had been made manager of a hotel where all the help was dissatisfied. Rawlinson plays the role of the waiter-manager of the hotel and his role keeps him very busy, but he handles it interestingly from start to finish. Kalla Pasha as the temperamental chef figures in some good comedy scenes. The picture reflects the happenings around an expensive summer resort hotel when the owner of the hotel gives this philosophical waiter his working chance to end the capital and labor problem in one fell swoop by the very simple process of giving the employees everything each desired to fulfill his or her particular artistic ambition.

MISS LOUISE GILLAN
MRS. W. H. SIEMAN
MRS. W. M. SCHMIDT

The following statements, from the several members of the working force in charge of the Sale, should be of interest to everyone within reach of this Store:

MISS GILLAN SAYS:

"I have been connected with one of the Leading Stores in Richmond for several years — a store that is continually offering Unusual Values. But I can frankly state that NEVER before have I seen such Wonderful Bargains as are now being offered in this Closing Out Sale."

STATEMENT FROM MRS. SCHMIDT

While many of the residents of the West Side have favored the store with most liberal patronage; many of my largest sales have been to Richmond people.

The best proof that I fully appreciate the remarkable values offered, is that most of my salary since the Sale started has been spent right here in the store.

MRS. SIEMAN SAYS:

There's just one thing in connection with this Sale that I have noticed particularly — and that is the large number of people who have come back day after day.

A number of my friends and neighbors from East Richmond, where I reside, have been here time after time, and I am glad to feel that I have been instrumental in saving them hundreds of dollars.

FROM MR. READ

I feel that my very capable corps of associates, who are helping to make this Sale a success, have sold you the whole story — leaving so little for me to say, that I shall refrain from saying it.

Point Happenings

The remainder of the afternoon was spent with fancy work and a general social time. About fifteen members were present and a most enjoyable afternoon was spent. Delicious refreshments were served at the close of the afternoon.

Backache Is A Warning

Richmond People Should Not Neglect Their Kidneys

Backache is often Nature's most frequent signal of weakened kidneys. To cure the pains and aches to remove the cause — the kidneys, you must reach the cause through the small of the back, urinary disorders, headaches, dizzy spells or are nervous and depressed, start treating your kidneys with a tested kidney remedy.

Don's Pills have been proven good and are especially for weak kidneys. Don's have been used in kidney trouble over 50 years. Read Richmond testimony. Mrs. S. E. Scraggs, 1921 Roosevelt Ave., says: "Several years ago my kidneys got out of order. I felt run down and tired. My kidneys didn't act right, so I knew that they caused the trouble. Others in the family had tried Don's Kidney Pills and I tried them. They soon cured me of all signs of kidney complaint."

Price 60c at all dealers. Don't simply ask for a kidney remedy — get Don's Pills — the same that Mrs. Scraggs had. Foster-Millburn Co., Mfrs., Bucalo, N. Y.

TELLS RHEUMATICS TO BEGIN ON SALTS

A well-known authority states that stomach trouble and indigestion are nearly always due to acidity — acid stomach — and that most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation; that our meals sour like garbage in a can, forming acid fluids and gases, which inflame the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas or have heartburn, flatulence, water brash or nausea.

His calls us to lay aside all digestive aids and instead get from any pharmacy four ounces of Jad Salts, and take a tablespoonful in a glass of water before breakfast, while it is effervescent and furthermore, to continue this for one week. While relief often follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of stomach sufferers with excellent results.

FISTULAS

Oakland, Calif., Dec. 12, 1923.
To Whom It May Concern:
For years I had piles and fistula. I found no relief in any treatment. I was operated on. This did me no good. My husband had been cured of 127 boils by Fong Wan Herbs, so I had faith in them. I took the Herbs for about ten weeks and was completely cured. This was four months ago and I am still in very fine condition.

Mrs. E. W. HOOGE,
24th Street,
Oakland, Calif.
They are troublesome and slow to get rid of, but the records of the Fong Wan Herb Co. show numerous cases of piles and fistulas cured. Each patron of the company is given a number. Among those who have been cured of fistulas are Nos. 3007, 5619, 5890, 6986, and 6109.

STOP THAT COUGH

Is it possible for anyone to find relief from a persistent and annoying cough? Well, I should say it is. Fourteen months ago I was sick with the flu. It left me with such a cough and such weak days work, besides the money I spent in going to doctors of all kinds with never a bit of relief.

One day I happened to meet a friend on the street to whom I told my troubles. He said, "Why do you not go to the Fong Wan Herb Company? They will help you." So as a last resort I went to the FONG WAN HERB CO. at 548 8th St., Oakland, and before I was a week I was completely cured. Now, up and tells me what is the matter with my cough, my man and cannot speak too highly of the FONG WAN HERB CO.

These Things Mean Motor Car Value

Improvements in the New Hupmobile Assure
Still Longer Life, Still Finer Reliability

The improvements in the new Hupmobile illustrate how this car has earned, through 15 years of intensive chassis development, the reputation of being a fine car at a low price.

Certain details make the new car more beautiful, more smart and dashing than ever—but the most extensive betterments are in the vital units, such as the motor, the clutch, the transmission.

Hupmobile engineers have in this new Hupmobile given most thought now as always to the things that make for still longer life, still more consistent and brilliant performance, still greater power and smoothness.

You will quickly note the sensation of coasting or gliding—an effect produced by the perfect balance of the motor, the heavier and counter balanced crankshaft; the 20 per cent larger bearing area; the light weight alloy pistons, the increased power.

Note the still greater ease with which this Hupmobile responds

to its control. Note, too, that the new two-plate clutch affords silent gear changes at all speeds.

The new Hupmobile is even quicker on the trigger than any Hupmobile before it. It is like a panther in traffic, skimming smoothly, slowly along when you must, leaping forward like a flash when the way is clear.

Easy-riding as the Hupmobile has always been, this new Hupmobile—in front and rear alike—outdoes all of its predecessors in bump-absorbent spring action and restful riding.

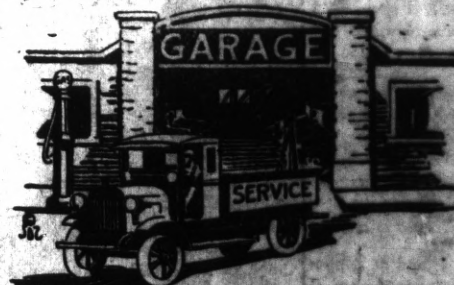

Comfortable as the Hupmobile has always been, this new Hupmobile is more roomy and affords greater convenience to driver and passengers alike.

These are the high points of new Hupmobile performance—a positive promise to the public from the Hup Mobile Car Corporation which fifteen minutes' experience will prove to your delight and satisfaction.
